Dear Mr Fawcett

Thank you to you and your team for your substantial role in, and assistance with, the coordination and facilitation of *The Queensland Plan* Mackay Summit.

The Mackay Entertainment and Convention Centre is a first class venue and your staff provided exceptional service both in the lead up to the event and throughout the day of the summit. The project team received significant, positive feedback on the day about the high standard of the venue and the catering and the professionalism of the staff.

Please pass on my gratitude to all concerned but, in particular, to Mr Andrew Bobeldyk, Ms Catherine Batterson, Mr James Loveless, Ms Nicky Hansen and Ms Lenine Millard.

The Queensland Plan is a bold initiative that is the first of its kind in scope and scale in our State. We created history in Mackay and I thank you and your staff for their assistance in contributing to the overall success of the summit.

For further information on the work achieved at the summit, including the six thought-provoking questions we have put to the people of Queensland, please visit the website at www.qld.gov.au/queenslandplan.

Thank you once again for your team's involvement in helping to make *The Queensland Plan* Mackay Summit such a success.

Yours sincerely

CAMPBELL NEWMAN
