QUEENSLAND BALLET - DANGEROUS LIAISONS

A classic tale of seduction and betrayal.

Based on Pierre Choderlos de Laclos' time honoured novel, Queensland Ballet's Artistic Associate and world-renowned choreographer Liam Scarlett breathes life into this sultry tale. Set amongst the aristocratic elite of late 18th century France, this evocative and vivid work will scintillate audiences. With a story that has captivated audiences around the world for over 200 years, Dangerous Liaisons is a hedonistic tale of love, virtue and humanity, reimagined into a dramatic new ballet for mature audiences.

Dangerous Liaisons contains adult themes and is not recommended for children.

A co-production between Queensland Ballet and Texas Ballet Theatre.
