Dear Mr Fawcett,

On 24 February 2012, the Department of Transport and Main Roads (Mackay/Whitsundays), held their annual General Manager's Roadshow at the Mackay Entertainment and Convention Centre (MECC). The Roadshow is an extremely important event for the department and I am pleased to say that the 2012 event was a great success.

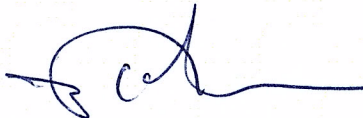

I would like to take the opportunity to acknowledge and thank the MECC staff who contributed to the success and smooth running of the event on this day.

While I am certain there are many who contribute to an event like this, I would like to acknowledge the work of the following people.

Our consultations with Nicky Hansen and Romana Burki during the organisation of the event were extremely efficient and professional. On the day, we were assisted by Donna Cussen and Kara Lyon who were extremely helpful in providing the finishing touches and were very accommodating for any requests (big or small) that we had. I would also like to extend a special thank you to Marie Burkie from Grinders Catering, who went out of her way to cater to our every need - and the food was fantastic!

We look forward to working with the MECC team again in the future.

Yours sincerely

Mr Ian Husband
Regional Director (Mackay/Whitsundays)
